Mr. Robinson, owner of Hillside Village Drug, 310 Hillside Village, TA 3-9916, said a colored girl who worked for him, Cleo Fisher, was visited at the store today by her husband. He told a clerk that he used to work for Jack Ruby, that Ruby paid him off Friday night and told him, "you had better get it all tonight, because I won't be around". Mr. Robinson's home phone, TA 1-0289.

W. R. Clark, 11707 Home Way, DA 4-4668, N. L., works Tempo at Greenville, Texas, GL 5-3450, Ext. 366, called on 12-3-63, and gave Det. Beck this information:

He states that on the night of 12-3-63 between 8:30 and 9:00 PM that an unknown man (sounded like a young man's voice) called him at home, and started off by asking, "What's the name of the Chinaman that strong armed the Actor's Guild?" Mr. Clark asked who it was calling, and the man refused to give his name.

He said that Ruby and the Chinaman was real close, and the Chinaman was a Communist and at one time the Chinaman gave Ruby a suit case full of money, but would not say where this took place. He said that the Chinaman kept a hot trail between Dallas and New Orleans. Mr. Clark says he does not know

who this man could be, but that his phone is non list. He asked if he had contacted the Police, or F. B. I., and he said No.

Det. Leavelle received a call from an unknown woman who identified herself as a stripper, and said that she heard that Oswald was connected with a man by the name of Lee. She said that she knew a Vincent Lee, a Chinaman, who used to be head of the Stripper's union, and is nowsomewhere in California.

Mr. Walter Ochs (Wally's Grill Circle Bowl) - (Res. 3851 Gaspar Drive, FL 2-5969) called me and stated he believes Jack Ruby was in the bowling alley on the night of the 21st. He states in no way is he sure, but he thinks he saw him. Mr. Ochs also states that he believes Lee Oswald was there. He said a man he thought might be Oswald bought three cups of coffee from him. He further states this man was bowling with two other men, and that two women were waiting for them. The women had 2 small children with them, one was a baby in blankets, the other about 3 yrs. old. He states the man he took to be Ruby was sitting behind these people, and he didn't see them talk. The man he took to be Ruby was wearing a dark suit, white shirt, dark tie, and snap brim hat pulled low on head. Also his description closely fits Ruby. Ochs states he doesn't know what time Ruby left, but the other people left the alley about 3:15 AM. Mr. Ochs has given me the bowling sheet (attached) the other parties were using. Names on the sheet are Lee, Leo, and Neal.
